

# Atomic Power and GOD...

## YOU IN THE CHURCH

Character is a by-product of the church. It is here that young and old alike are shown with benediction that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are called religious character. Strenuous study declares that the church alone can furnish leadership to build the nation of the future. In these perilous times, there are no children about in the church of our choice on Sunday. You in the Church and the Church in you form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

William Ferguson Poole  
P. O. Box 211, Ft. Worth, Tex.

On the tip of most every tongue, "civilization-wide," the dreaded story of the ATOMIC BOMB is being whispered. Hardships, infirmities, agonies and inconceivable distress, only partially paint the horrible scene which must follow every Atomic Eruption. O Lord, give us strong men of courage, and men who fear God... men imbued with certain principles of justice and brotherly love, to guide us in these History-making days.

The age of the harnessing of God's minute atom has long since been a reality. Skilled scientists have celebrated the occasion for years. Man now has the achievement and must control its use. It is time for the genuine love of God to reign in the hearts of men if civilization is to survive.

When it becomes practical for the ingenuity of man, as is now the case, to concoct instruments of inconceivable power that can rip the earth into canyons, lift and wreck skyscrapers' more easily than a strong man can break a straw, and with the heat of Hell burn to dust every object near the point of its eruption... then, brother, it's time for all mankind to 'GET ON SPEAKING TERMS WITH GOD.'

The whole world seems to be in constant fear of this terrific weapon. Nations seem to be at loggerhead... they do not trust each other. Their acts and sayings are questioned; their conclusions censured. They are in a race to avoid the calamity of the immortal phrase, "TOO FEW AND TOO LATE."

Christians must meet the challenge of the Atomic Age. The doctrine of BROTHERLY LOVE must prevail. This is an era when giants in the field of business, and fabulously rich in the material wealth of the world, are scattering their shekels in the interest of religion. The church must not be denied. Help keep her good work going by attending your church regularly. Help her mold men to control the Atom.

U. S. VISITORS... Getting first-hand information of American college life are eight of El Camino College's ten foreign students. Assisting them is Miss Mary Hancock, seated left, assistant director of student personnel. To the right of Miss Hancock is Alvaro Nagashima of Japan. Standing, left to right, are Helen Mikelatos, Greece; Mehdi Moheban, Iran; Chong Thiam Choy, Malaya; David Davies, Brazil; Shigeko Seki, Japan; Foo Jee Keng, Malaya; and Suat Gurelli, Turkey.

## Students from Other Lands Enroll at El Camino College

Representatives of eight nations are registered at El Camino College this semester giving the 5400 Warrior enrollment a first-hand view of what newcomers to America think of local educational facilities.

Summarized, their opinions add up to a glowing account of El Camino, its curriculum, faculty, and the people who support the growing college throughout the community, college spokesmen said. Cooperating with three other colleges in the south-western area of Los Angeles, El Camino has opened its doors to foreign students arriving in this country on student visas.

To date, ten students from Malaya, Brazil, Turkey, the Philippine Islands, Greece, Iran, Japan, and Belgium have elected to work as undergraduates at El Camino. In addition, two natives of Mexico, now permanent residents of the United States, are enrolled.

Assisting the students in their orientation to American college life is Miss Mary Hancock, assistant to the director of student personnel at El Camino. Of the foreign students, Miss Hancock says: "We welcome the experience of exchanging ideas and customs with these young students. It is an opportunity to enrich our own lives and, each acting as an ambassador of his respective country, to help establish friendly relations among peoples of other nations."

Helen Mikelatos, who graduated from Mira Costa High School last year shortly after her arrival in this country from Greece, indicates that she enrolled in El Camino "because this is the school which is able to give me the kind of educa-

tion I wanted and I'll be able to transfer from it to any university. "I cannot compare El Camino College with any other school," she continues, "as far as geographical place, expenses, educational quality, and administrative is concerned."

Miss Mikelatos resides with her parents at 1505 First St., Manhattan Beach. David Davies, from Brazil, emphasizes the "high appreciation of many Los Angeles for the college" as one of his reasons for enrollment. He comments that everyone is helpful and fine, and expresses his personal appreciation of the campus and its architecture. Davis resides at 435 Menlo Ave., Hawthorne.

Two Malayan students, Chong Thiam Choy and Foo Jee Keng, both of 326 Freeman Ave., Hawthorne, came to El Camino largely as a consequence of arrangements made by brothers who were familiar with the college and the area. "I was greatly impressed by the friendliness and understanding of the college officials," Choy adds as an additional reason for enjoying his college work.

A native of the Philippine Islands, Cristeta Lachica now makes her home at 4426 W. 166th St. in Lawndale and selected El Camino for work preparatory to further study for the bachelor of arts degree. She was particularly impressed, she says, "... that the instructors are all so ready to help the students."

## Around the Garden 'n Plaza

# Gardens-Plaza News Returns to Herald

By HELEN AMOS  
FAIRfax 8-1986

Girl Scouts in the Torrance Gardens-Plaza area have been busy lately. On Friday, Oct. 23, the Scouts of Troop 1293, headed by Mrs. Osterlund of Sonoma Ave. and sponsored by the Madrona PTA, were in charge of the entertainment at the PTA pot-luck dinner held at the Madrona Ave. School. The Scouts put on a campfire program.

Saturday the Scouts were heard on radio station KFOK from 7 p.m. until 8 p.m. as guests of the Bette Thomas Studios. Sunday, they attended services at the First Baptist Church in Torrance.

Scout Mother Betty May Helms organized a tour for the girls through the U. S. Navy Supply Depot on Tuesday, Oct. 27, as part of their program of getting acquainted with Torrance.

Let's not forget the Cub Scouts in the area. The boys sold homemade candy at the pot-luck dinner at the Madrona School last Friday evening and made \$11.50 which goes into the pack treasury for the three dens. Each mother of the Cubs made candy for the sale.

Mr. and Mrs. Paul Brunner of Cranbrook Ave. and daughter, Jerry Ann, took a week-end trip to San Francisco to be with Brunner's mother who is recovering from an operation.

Mr. and Mrs. Burt Betzer and children, of 1219 Felbar Ave., attended the Wisconsin picnic in

Sycamore Park Game last Saturday.

We hear someone around here went home from a neighborhood party last Friday evening to check on the children. When she didn't return in an hour, her husband went to check—found her asleep on the couch.

Tommy Evans, 1228 Felbar Ave., is still talking about the red, red parrot at the Palos Verdes Bird Shop. He and several of his friends who attend the Torrance Cooperative Nursery School had a field trip last week. They saw chinchillas, fish, and many kinds of birds from all over the world. Before returning home, they picnicked in Walteria Park.

The neighborhood party thrown by LA and Hank Burrows, 2985 Opal St., last Friday was a most successful and memorable one. Dancing, refreshments, games, and a beautiful full moon added to the gala evening. The haunting strains of melodies played through Hank's own double-barreled public address system, lingered into the wee, wee hours of the ayem.

How would you like a street dance when our street lights are turned on? Your home captain will be calling on you this week to pick up the coupons from the news letter and to collect some money—we hope. Dec. 1 is the deadline and homeowners association officials are hoping for 100 per cent sign-up by then.

Last Tuesday, 15 little children got together to celebrate Danielle Musick's second birthday at her home at 1204 Maple Ave. Hot dogs, ice cream, and cake were served. All the children enjoyed playing on the slides and swings.

Have any news up or down your street? Please call me at FAIRfax 8-1986 and let me know. If there is no news, we won't have a column. Watch for this column every week from now on.
